Los Vaqueros Riding Club was Est. 1946, in Big Bear Lake, California. Early on, members rode and marked the early pioneer sites and points of historical interest in Holcomb Valley, north of Big Bear Valley. Los Vaqueros members assisted in planning the route of the Pacific Crest Trail through the San Bernardino National Forest around Big Bear, and lobbied for its permanent establishment. The Club started sponsoring rodeos in 1947, using stock from local ranchers. For a long time the Annual Labor Day Rodeos were a major source of support for local horse community concerns. Our riding club continues to keep the Western Heritage of the Big Bear Valley alive. Los Vaqueros Riding Club was incorporated as a non-profit organization in 1952.
